COUNTY HUNTERS' LICENSES

The following is a complete list, alphabetically arranged, of all parties having hunters' licenses in St. Francois County for the present season. This publication, it is believed by Edward Byington, recently appointed Deputy State Game and Fish Warden, will not only be fair warning to those who have been evading this law, but will materially assist him in enforcing the game and fish laws, which he proposes to do to the letter. This list should be preserved for reference:
